| <b>TROOP 777 SIGN UP</b> |
|--------------------------|

**Event:** Daley Ranch (or Elfin Forest) Training Hike

**Date:** 25 March 2006

**Description:** This is a day hike designed for the new scouts. We will further discuss safe hiking skills, basic equipment, troop trek procedures, etc. This is another good hike for parents to attend. The drive is about 40 minutes to our starting point. Parking is available. Scouts should wear good hiking boots, a hat, sunscreen, and if you have or can borrow a backpack – this will be an easy enough hike to try it out (put some clothing or other type articles in it in order to get the feeling of wearing a backpack – do not bring a sleeping bag, tent, etc.); if you do not have a backpack, bring a daypack and put some weighted articles in it. Ten essentials. Bring approximately two quarts of water per trekker (and adults).

Tenderfoot Requirements 5, 9, Second Class requirements 2a, 6b, and First Class requirements 3, can be accomplished.

**Meet at:** At 8:15 AM , at the Sports Authority parking lot; travel in Class A; bring a lunch to eat on the hike.

**Return:** Early afternoon, Saturday

**Cost:** \$0

**Other:** Bring a Lunch to eat during the hike. USGS 7.5-min Map *Valley Center*

**Instructions:** Bring signed permission slip to the 20 March 2006 Troop meeting.

**Scout in**

**Charge:** TBA **Adult in Charge:** Tom Szczotka **Emergencies:** Valerie (760)438-5300
