In the evening, we will have dinner at the Hollis residence, cooked by the adults, and continue the training and discuss items for the upcoming calendar. Scouts will camp out on the Hollis property, adults may choose to campout or spend the night indoors. On Sunday, we will return to the Hollis residence and continue the calendar planning activities which will be the primary focus of the day.

The Troop pays the food costs (within reason of course!).

**We need parents** to assist in meal preparation and to help shuttle scouts between camp and the Hollis residence. *Parents may elect to camp out with the boys or stay at the Hollis residence (beds are available, but please bring a sleeping bag)*
